

Check list for checking in with STEMinds students:

- Are they members of the STEMinds Network (steminds.ning.com)?
 - Did they post about themselves?
 - Did they post about their project?
- Have they been working on their projects?
- Are they taking pictures or videos to share and/or post?
- Have they updated their proposals if they changed their idea?
- Do they need any help?
- Do they have something to bring to our Friday Forum (e.g. work, photos, articles, data, and/or questions to share with the other students)?
- Did they make something to hold their flash drive? (This was their HW)
